Dear Parents,

Thank you for your interest in Camp Win-Some. Camp Win-Some begins its sixteenth camp year this season. Over the years, many campers have returned to become counselors and we pride ourselves on a returning staff and the extra effort each counselor displays daily. Our camp provides a refined camp experience for campers who want to have fun and parents who want peace of mind.

We are excited at the many activities and field trips planned for your child (ren) this summer. We have eight weeks planned beginning June 13th and continuing until August 5th. Camp is available for children entering Kindergarten through completion of 8th grade. Parents may select as many weeks as needed. Early registration is recommended and taken on a first-come first-served basis due to restrictions on available space, counselor-camper ratio, and supervision. Please register early even if you plan on using our services for only a few weeks this summer. **Payments for camp are due one week prior to the week attending. Registration fee and weekly camp deposits must accompany each registration form.** A set of registration forms must be completed for **each** child attending. Original signatures are required on all permission slips and medical forms (photocopies cannot be accepted).

Camp Win-Some prides itself on providing a loving, trained staff that make children comfortable and at ease right from the start. Many children look forward to returning for another wonderful summer at camp.

In the enclosed packet you will find:

- Registration Form
- Field trips/Swimming/Skating/Bowling Permission Form
- Emergency Medical /Prescription Medication Form

Medical forms are required even if your child attends Wilmington Christian School. These files are transported to every activity in case of an emergency. **All forms must be complete including all immunization records.** If you have any concerns regarding your child, please attach a special note addressed to Jonathan Fitch, Director, to your registration form.

You will receive a confirmation letter and payment schedule. If we are unable to accommodate your request for certain camp weeks, you will be contacted by our staff and placed on a waiting list. Additional information needed to begin the camp season will accompany the letter. We are looking forward to creating a summer of childhood memories full of blessed fun!
